Jenks Public Schools

Teacher's Assistant – 2012-2016

Education

Bachelor's Degree – Music Composition and Technology

Oral Roberts University – 2008-2012

Projects

Historic Hotels Worldwide

Developed a single page application with React Hooks that contains an autocomplete filter of hotel locations as well as a map canvas using the Google Maps API

Mandarin Oriental

Constructed a global modal component that uses an API call to fetch content from the CMS and deliver the specific modal type and content to that page

Marriott Bonvoy Offer Program

Created the booking console, date selector, hotel rooms filter, and guest information form that has live validation using jQuery, ES6, XSLT, Sass, Parsley, Webpack, and Gulp

Rune Bear

Developed a digital literary magazine with React, React Router, Prop Types, Styled Components, and the WordPress REST API
